A Letter from Bishop Christopher

Dear Friends,

'We are convinced that England will never be converted until the laity use the opportunities for evangelism daily offered by their various professions, crafts and occupations... this being so, the Christian laity should be recognised as the priesthood of the Church in the working world, and as the Church militant in action in the mission fields of politics, industry and commerce'. So said the 1946 report, Towards the Conversion of England, commissioned by Archbishop William Temple.

Seventy years later, and a more recent report, *Setting God's People Free*, debated at General Synod earlier this year, makes exactly the same point, and asks for what it calls two major culture changes in the way we think about being and doing Church.

'Until, together, we find a way to form and equip lay people to follow Jesus confidently in every sphere of life in ways that demonstrate the Gospel we will never set God's people free to evangelise the nation,' says the report. 'Until laity and clergy are convinced, based on their baptismal mutuality, that they are equal in worth and status, complementary in gifting and vocation, mutually accountable in discipleship and equal partners in mission, we will never form communities that can evangelise the nation'.

It is a report that reminds us that as Christians we are not just redeemed **'from'** something, but **'for'** something as well. Each one of us is called to play our part in bringing about the transformation of our world and of lives as we share what we know of Jesus in all the different places God sends us to. We gather together on a Sunday to be sent scattered into the world as Church the other six days of the week.

It is an exciting vision of what the Church has always been called to be, but maybe one we have not always lived out. The challenge for us as a diocese is how we do that now, to move from just words in a report, to actions that make a difference. Seventy years has been a long time to wait!

Thy Kingdom Come - Thought for the Season - Rosamund Seal

Like everyone reading this I have been shocked and temporarily numbed by news of the recent terrorist attacks in Manchester and London followed by the, even more horrifying, fire in Grenfell Tower.

But I have also been astonishingly encouraged and moved by the responses of those who were present and those who were involved.

The London attack took place on the eve of Pentecost – the day when the first disciples received the gifts of the Holy Spirit as tongues of fire. The Spirit which gave them the courage and confidence to share the good news of Christ throughout the world. The Fruits of the Spirit we are told in Galatians, are **Love, Joy, Peace, Patience, Kindness, Goodness, Faithfulness, Gentleness and Self-control.**

And just look at how many of those fruits we have seen in action. Yes there have been many voices on Facebook and elsewhere screaming hatred and baying for blood in response to the terrorist attacks but on the ground, amongst those who were **there**, those who live and work in those communities, and in particular among those who have been so tragically bereaved, there have been extraordinary acts of bravery, compassion, a generosity to strangers and, most strikingly, a point blank refusal to hate and to stoop as low as the perpetrators of such futile violence. For all the horror, this has been inspiring and reminds me that for all the tragedy in this world those words from the Lord's Prayer have a real meaning

Thy kingdom come, thy will be done, on earth as it is in heaven.

We long, for it be on earth as we imagine it is in heaven, and just sometimes it is – and often ironically, it is when something least like God's Kingdom happens, that something most like God's Kingdom happens in response.

So let us thank God for all those unremarkable but extraordinary people who have brought the Kingdom of God into these dreadful situations, and let us continue to hold in our prayers all the emergency services, medics, intelligence services and volunteers who still have much work to do behind the scenes. Let our anger at the manifest abdication of responsibilities and failures in relation to the Grenfell Tower be directed towards ensuring that there is no repeat of the Hillsborough cover-up.

Let us hold in our prayers too, all those tragically bereaved families for whom the loss will never go away, even when these events become a distant memory for the rest of us. Let us continue to pray for them.

Saint of the Month - by Kex Dean

Ignatius of Loyola, Founder of the Society of Jesus, died 31st July 1556.

The youngest son of a Basque nobleman, Ignatius was born at his family's ancestral castle at Loyola in north-east of Spain. He served as a page at the court of King Ferdinand V of Castile, and later entered military service, being seriously wounded at the French siege of Pamplona in 1521. During his lengthy convalescence, (his leg never properly healed and he was left with a permanent limp), he read the life of Christ and biographies of various saints. The result was that he resolved to devote himself to the spiritual life. He went on pilgrimage to Montserrat (near Barcelona), where he hung up his sword over the altar and exchanged clothes with a beggar. He then spent about a year at nearby Manresa, first working in a hospital there, then living as a hermit in a cave. He studied Thomas a' Kempis, *'The Imitation of Christ.'* It was probably during this year that he wrote the Spiritual Exercises, a manual of Christian prayer and meditation which has subsequently been used and valued (and is still used today) by Christians of many denominations and traditions.

After a pilgrimage to Rome and Jerusalem, he returned to Spain in 1524 and studied at the universities of Barcelona, Alcalá and Salamanca, (where he fell foul of the Inquisition because of his unauthorized preaching). He went on to Paris to continue his studies and it was there in 1534 that Ignatius and a group of six students (including Francis Xavier), vowed to go as missionaries to Islamic Palestine. In 1537 the group, now ten in number, finding that war prevented them travelling beyond Venice, offered their services to the Pope. By 1540 they had been ordained and with papal approval formed the Society of Jesus, with a vow of personal obedience to the Pope in addition to the traditional three monastic vows. Ignatius was elected the first General of the order and in the remaining 15 years of his life saw the order grow a hundred-fold and to be in the vanguard of both the Counter Reformation and the missionary work of the Roman Catholic Church.

This prayer has become treasured by Christians of all traditions:

*Teach us, good Lord, to serve you as you deserve
To give and not to count the cost
To fight and not to heed the wounds,
To toil and not to seek for rest
To labour and not to ask for any reward,
Save that of knowing that we do your will
Through Jesus Christ our Lord. Amen*

Our Knight - Honour Pride Adventure

Our knight, *Honour Pride Adventure* received his send off at the end of term on the next step on his journey to Lincoln. He will be unveiled officially at the Lincolnshire Show where he will join his fellow knights as the second part of the Lincoln Knights' Trail. We wanted our knight to show who HPA are and the community that we belong to. So expect to see a field of flowers, a swan from our University of Lincoln Trust logo, red tulips and yellow daffodils plus our school colours strikingly emblazoned on his shield. At HPA we promote *honour* in who we are, *pride* in what we do and prepare for *adventure*!

Building raised beds

A group of our Y6 students built some raised beds in which to plant vegetables at school as part of our allotment topic. This helped to improve their DT skills. They worked with drills, saws, nails and hammers wearing safety goggles for protection. They learnt a valuable lesson in how to use this equipment safely and we are currently planting them up in time for Holbeach in Bloom.

Manchester Appeal

Following the terrible event in Manchester recently, we are very thankful to our pupils and parents for raising £360 which we have forwarded to those affected in this tragedy.

PTFA Medieval Fayre

Please come and join us at our PTFA Summer Fayre on Saturday 15th July from 12.00 - 3.00. This year we have a medieval theme to coincide with us taking part in the Lincoln Knights Trail. Year 6 will also be showcasing their musical talents in a Samba demonstration which they have been learning all term. We will also be taking part in the Holbeach Food Festival on Saturday 1st July and look forward to seeing you there.

School Trips

As we speak, our last two trips of the year are taking place to the Black Country Living Museum and to Lincoln Castle. Our pupils have recently enjoyed trips to Hamerton Zoo, Lincolnshire Wildlife Park and Tattershall Farm Park, all very rewarding and enjoyable.

Year 6 visit UAH greenhouse

We were invited by Mr Horsefield - the plant expert at UAH - over to the greenhouse to plant up our hanging baskets for our school grounds. We each had our own basket and the choice of five plants (maximum) to fill them. We learnt about the type of soil and how to arrange the plants for maximum effect - long dangly at the side, bushy in the middle. We have since returned to plant seeds for our allotment which we are now planting up in our new raised beds.

Scholastic Book Fair

Once again a huge thank you to those of you who supported our book fair last term. Your generosity managed to raise over £500 in rewards to buy books for our school. A big well done to all those children who took part in the 'design a reading bug' competition. We had an enormous response and choosing the winning entries was very difficult. The winning children all got to spend £5.00 at the book fair.

KS1 WOW Day - Rainforest Rangers

Children in Key Stage One and Foundation Stage had a fabulous day exploring the great outdoors with den building and simple orienteering to find the different rainforest animals. They developed team building skills which allowed them to work together through playing games such as cross the Amazon River, Pass the Cargo and Don't Drop the Snake! They created their own colourful parrots and snakes as well their own plastic bottle rain sticks (thank you for all the bottle donations). Children experimented making paper flowers open and discussed what they thought could or would be the reasons for this. There were some brilliant discussions on absorption. Thank you for supporting the day by allowing your children to get dressed up for the occasion. They all looked amazing and it really helps to make the day even more memorable.

Music Festival

The Stukeley Choir attended the South Holland Primary Schools Music Festival at Spalding Parish C of E Day School on Tuesday 6th June. They performed 'So Long' from the Sound of Music and also performed with other school choirs. Act II joined us in the afternoon to teach the children a dance. The children were filmed and their singing recorded to make a music DVD.

Junior Road Safety Officers / Junior Police Community Support Officers

Our JPCSO's and JRSO's accompanied PCSO Naomi Newell on a 'speed task' outside our school. They got the chance to use the speed gun and monitor motorists - showing them 'smiley' or 'sad' faces depending on whether they were keeping to the speed limit. We did catch some people speeding, and the children had to remember number plates for PCSO Newell to phone through to check on insurance details, etc. This is part of our schools ongoing support

for community initiatives and we are looking forward to recruiting new candidates for the role in September from our current Y5's. Mrs Holliday would like to thank the children for their wonderful manners when talking to PCSO Newell and members of the public.

Parish News

All Saints Ladies Group

On Wednesday 14th June members and guests went on a boat trip. The weather was perfect and we could have been on any inland waterway in England, but we were travelling down the River Welland and Coronation Channel. We shared two boats, each with a knowledgeable guide. After the river trip, we walked to Hill's Restaurant where afternoon tea was enjoyed. Members thank the boat guides and also the restaurant staff for the delicious tea.

Sharon Cole reminded members the A.G.M. would be on Wednesday 13th July at 7.30pm in the Reading Rooms. This will be a social evening with tea/coffee and cakes, which the committee will provide. It would be good if members could bring a small prize for the raffle. We look forward to a real chatty evening and as always visitors would be made welcome.

The Quinquennial Report - by Nigel Beverley Stone

For those of us, who like me, did not know what a quinquennial report was, it is a five yearly inspection and record of how we are caring for our church. Finding an experienced, enthusiastic and highly qualified conservation architect is not an easy job but eventually one came to us, and over a cup of tea one Saturday morning, the Fabric committee knew that Peter Slinger was our man.

Peter agreed to conduct our report and with the aid of another colleague this was completed in one day on 24th April. That was the nail biting time, would he find problems that we were unaware of?

After a short delay we received his excellent and comprehensive report which gives us much written and photographic information on which to base our maintenance and repair activities for the next five years.

Other than some questions that we need to answer about water drainage and a recommendation for some further investigation on some of the tower stonework we found we were pretty much up to date with the other ongoing items. We are actively combining some of his suggestions with work that was already planned and we hope to have this work completed during this summer.

Subject to confirmation of support from the Mary Bass Trust, to whom we have recently made a submission for assistance, we hope to be able to complete work to replace the upper tower door, to carry out work to clean and protect the roof and guttering which includes vital work to clear several years worth of pigeon nesting material, debris and leaves from the many gulleys and drainage channels and also to install a new roof alarm system. If we achieve all these jobs this summer it will have been a wonderful start to the year for the new PCC and our church.

The Fabric committee has invited Peter to our next PCC meeting on 18th July, we will happily share the information we receive from him and together we can then all discuss the work that we will carry out during the next five years. If there are any jobs that you feel we may need to tackle please speak to Margaret or myself or any other member of the Fabric committee, Mick Boylan, Shep Shepherd and Carol Hellen. We will welcome your interest and any offers of help in whatever way possible will be appreciated.

Vicars footnote

Our church has been wonderfully looked after over the years by generations of wardens and parishioners to whom we owe a great debt of gratitude. However this work has to be kept up and, as our treasurer has pointed out recently, we have spent very little on repair and maintenance over the last few years. The work on the drainage and guttering is now very urgent, as it is now resulting in water ingress which is damaging the organ and the stonework of the church. Equally vital is the requirement to install a roof alarm as part of a number of necessary anti-theft initiatives.

I am hugely grateful to those who have agreed to form a new fabric committee to oversee and progress this work. Alongside that is the ongoing project of updating our inventory in order to take account of new additions to the church, the disposal of unwanted items and the relocation of items.

There are also plans to clear the drains at ground level and to clear a meter of ground all round the church in order to prevent weed growth and leaf build up over the course of the year.

Those of you who have fond memories of the work of the *Tuesday Gang* - talk to David Arnold if you have never heard of them, will be interested to know that we intend to set up a *Saturday Gang* who will undertake both external and internal DIY work once a month on a Saturday morning. Anyone can join and you may be involved with dusting, painting, or leaf clearing depending on your interest or ability. Please see the advert below and come along if and when you can:

Come and Join the Saturday Gang.....

Saturday 22nd July from 10.00 am

Saturday 19th August from 10.00 am

Saturday 16th September from 10.00 am

Bring a barrow 7 shovel if you live nearby and some gardening gloves.

Coffee and cake provided.

Brilliant news from Lauren and Shep:

Congratulations to Lauren & Shep who completed their 70 mile cycle ride from Holbeach via Wisbech, Thorney, Crowland, Deeping St James and back on the hottest day of the year so far - Saturday 17th June.

Lauren's odometer read 72 miles by the time they finished.

Aiming to raise £500 in sponsorship

they were at £700 by the end of the church service on Sunday and it looks like the final total will now be £1000. This is a magnificent effort and just shows what can be done.

I have to admit that I didn't think Shep would make the full distance since he hadn't trained as hard as Lauren, but I have eaten humble pie and am seriously impressed with their efforts.

They are already planning next year's fund-raising event.....

HOLBEACH FAMILY HOEDOWN

What a joyous evening we rustled up for ourselves on the 3rd June. With near perfect weather we were all comfortably entertained at our first barn dance with glorious live music provided by our own Kim and her amazing group Akmed's Camel.

We accidentally chose a special night when several birthdays were collectively celebrated, Rosamund's being on that very day.

The facilities at the WI hall were great with plenty of space to accommodate up to 100 dancers and friends with a good stage for the band to entertain from.

As the band struck up dancers were lining up to form their groups and get ready for the fun. Our ages ranged from 1 - 80 yrs and judging from the comments it was enjoyed by all.

During the night we shared a magnificent feast, so much food we could not eat it all and some food was taken to church on Sunday to share again.

Our aim for the night was simply to enjoy the friendship and company of the community stretching around Holbeach. The final bonus of being able to cover our costs and still have enough left over to make a gift aided donation of £100 to Christian Aid was great!

May be we should make this an annual event for the Eve of Pentecost ??

Huge thanks to Linda & Nigel Beverley Stone for organizing this for us. (Editor)

2017 Planned giving Campaign

As you know we launched our Planned giving Campaign on 29th January with a sermon on the miracle at the wedding at Cana and with a lot of lovely cake!

There was then a bit of a pause while all the materials were prepared by the Finance and Stewardship Committee but eventually we got it all out, funded in part by the Mary Bass Trust and by Easter most of the responses had been returned.

We are very grateful to all of you who took your time to think and pray about your giving and the net result was that 14 people increased their giving and four new people joined the planned giving scheme for the first time. This will result in us raising an extra £5,775 per annum. Not quite our target of £10,000 but very encouraging none the less.

There have also been a number of one-off donations, amounting to £4000 (if we include moneys from Lauren & Shep's cycle ride) which, though they are not planned giving, will most certainly help swell our income for 2017 for which we are hugely grateful.

If at any point any of you would like to review your giving further - either up or down depending on your circumstances - then please contact Glyn directly or complete another set of the forms which are available at the back of church.

If you never quite got round to reviewing your giving when the appeal was sent out it is still not too late and Glyn is happy to process the information at any time of the year. Please do note though, that if you plan on giving directly from your bank on a monthly basis, he will need a couple of months' notice in order to set up the arrangement.

During the course of this year the Finance and Stewardship committee intend to review our investment policy in the hope that we can maximise our investment income and so reduce our shortfall and we hope that the PCC will continue to be wise stewards of all the money that is entrusted to us.

A New Website for All Saints

We are extremely grateful to Kevin Dodd of Welland Creative who has undertaken to design a new interactive and professional website for our church.

It will come on stream at some point during this month but will keep the domain name. It will take a while to transfer information across and to reformat it where necessary.

Keep a lookout for it!

Service of Wholeness and Healing

People have been asking for a while whether we might reintroduce a service of wholeness and healing. Following a discussion at the ministry team we have decided that the time is now right. Initially we will hold them on the Fourth Thursday evening of each month starting on

Thursday 27th July at 7.30 pm.

The service will take place in the lady Chapel and will be a quiet said service lasting about 40 minutes with the opportunity to receive the laying on of hands and anointing with oil either for yourselves or for other people, and will invite wholeness & healing for both the body, mind and spirit.

Job Opportunity - Clerk to school governors

(£17,419 - £19,430 pro rata) Equivalent to 2.5 hours per week**

We are looking to appoint a well organised, reliable and competent person to become our Clerk to Governors from September 2017

The Clerk is required to attend all statutory meetings of the Governing Body including Sub-Committee meetings during the academic year. There are four full Governing Body meetings and ten Sub Committee meetings per year; meetings generally take place in the evening.

Duties include preparing and distribution agendas and minutes, corresponding on behalf of the Governing Body and maintaining records. You may also be required to clerk other working groups and panels as requested.

You should have experience of taking minutes and good IT and communication skills. Training can be provided if necessary.

For further details and application forms please contact:
Mrs Diana Harlock, Senior Administrator 01406 422102
Email: enquiries@williamstukeley.lincs.sch.uk

Closing date for applications is Monday 10th July 2017

We are committed to safeguarding and promoting the welfare of our Children, therefore the successful applicant will be required to undertake an enhanced DBS check.
