Becoming a Friend of All Saints Church

All Saints Church has been at the heart of the community in Holbeach for over 700 years. This magnificent building is part of our national heritage; its central position ensures that it has an important place in the town and in the hearts of the people who live here.

It doesn't matter if you only come at Christmas, if you only step inside for a school service, wedding, christening or funeral, or a few moments of quiet and calm during a busy day or at difficult times in your life, All Saints is always there for you.

We seek to be a place of welcome for those of all faiths and none, ensuring that All Saints is your church here in Holbeach.

Becoming a Friend of All Saints will contribute towards helping to maintain and enhance this beautiful building for present and future generations, and making sure our work in the community is able to flourish.

Not just a church building

All Saints is not just a church building but also a centre for all the work we do within the community, particularly with the most vulnerable. Unsurprisingly, the cost of doing this work and maintaining and running the beautiful and ancient building of All Saints has increased in recent years and now costs around £117,000 annually.

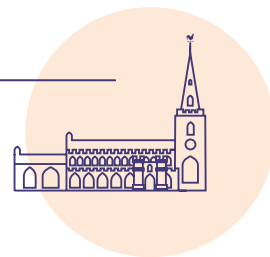

For All Saints to maintain this essential place in our community, more funds are needed; we do not receive any support from the government or the Church of England in order to do this but instead rely on donations.

Other Ways to Help

Volunteering and Giving of your Time

Whatever your gifts, skills and interests there will be a way in which you can support All Saints and our wider community. Please speak to our Vicar or Church wardens.

The Parish Giving Scheme

Your commitment to making a regular monthly gift is much appreciated and allows us to plan and budget more effectively. It also allows us to benefit significantly from Gift Aid. If you are already giving in this way, please take time to review your level of giving. It is easy to revise the amount you give or take advantage of automatic inflation increases. Your regular donation makes a real difference. Please ask for a sign-up pack.

Online and In-Church Giving

You can make one-off and regular gifts via our website or the donation terminal in church, as well as cash donations at each service or into the safe at other times.

Legacy Giving

A gift in your Will plays a crucial role and is a brilliant way to make a big long-term difference to the future. When planning your Will, we understand the need to secure the future of your family, but we ask that once you have made provision for those closest to you, please consider a gift to All Saints Church Holbeach. We have a separate Legacy Giving guide available; please ask for a copy.
